## THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

NIC #8517-82  
22 October 1982

MEMORANDUM FOR:

[REDACTED]  
Chief, DDO/EUR

FROM :

[REDACTED]  
National Intelligence Officer for General Purpose Forces

SUBJECT :

DCI Trip Itinerary

1. I think it would be useful to prepare a paper on the purposes and principal areas of interest for the DCI's upcoming trip to Europe. We could then float it by the Director for his blessing to make sure we are in synch with his thinking. When approved, such a document would provide guidance for us and for the officials whom he expects to meet. Of course, we want it to be flexible enough that his hosts have adequate opportunity to address matters which they particularly want to bring to his attention. At the same time it should provide focus to the trip to ensure maximum opportunity of success. The attached sheet is a starting point. I am not sure of exactly what it is [REDACTED] Perhaps you can fill in that part.

2. Once we have our purposes and interests nailed down we can begin putting together some briefing books. I am sure [REDACTED] and others will be happy to lend a hand in this area. They should be able to assemble the latest information on our target activities and issues.
